The preferred source for military fasteners

Chandler Products offers "QSL Manufacturer for Class 3 Threaded Fasteners status" as awarded by the Defense Logistics Agency in 2008. This status qualifies them as a supplier to Military

and Ordnance markets. MS9316, MS9317, MS16205-MS16208, MS16692, MS18153-MS18154, MS20392, MS21908, MS35307-MS35309, MS35763-MS35764, MS51095-MS51096, and MS90725-MS90728 are among the military fasteners Chandler produces.

Chandler also has an extensive assortment of Ordnance prints to manufacture to. Interested parties should refer to Cage Code #83386.
